# 2020 ACUI CLAY TARGETS SUMMER SERIES
## MATCH PROGRAM
Welcome to the inaugural ACUI Clay Targets Summer Series! This series has been implemented to bring together collegiate athletes and the community that surrounds these individuals. Unlike our Shotgun Bowl Series and ACUI Collegiate Clay Targets Championship, the Summer Series events welcome parents, friends, high school juniors and seniors, alumni, coaches, and industry partners and sponsors to compete! Community is more important than ever, and we’re excited to present this opportunity for everyone to compete together in a fun, friendly, and inclusive atmosphere.

RULES
The current ATA, NSCA, NSSA, and all ACUI rules will govern this competition. It is the shooters’ responsibility to be familiar with these rules. Referees are required to call the targets according to the accepted procedure of the national governing body. At the end of each round, the referee will announce the results of the round and each shooter must initial the score sheet. It is the responsibility of the shooter to make sure this procedure is followed. Any questions or issues should be address to the bank boss, chief referee, or shoot management as soon as they occur.

ALCOHOL, MARIJUANA, AND CONTROLLED SUBSTANCES
Alcohol, illegal or individually unprescribed drugs and firearms do not mix. Alcohol, marijuana, and illegal substances are strictly forbidden from all ranges during these events. Further, any participant who is found to be in possession of or under the influence of alcohol or drugs while using, cleaning, maintaining, inspecting, or otherwise handling their shotgun or other firearm at any time will be immediately disqualified from the entire event and asked to leave without refund.

CODE OF CONDUCT
Negative posts, belittling accomplishments, bullying, posting of denigrating comments in public or on social media that create a hostile environment within our otherwise inclusive community are violations of the ACUI code of conduct in place for all ACUI student programs. This code explicitly states that violation of these guidelines may jeopardize one’s status as a participant in this program.
Refusal to turn in a scorecard, along with cheating, swearing, and verbal or physical abuse of an athlete, scorer, field judge, shoot official, or anyone at the event is activity deemed to be unsportspersonlike conduct.
Regardless of whether an individual is a student, by registering for this competition, you are agreeing to abide by the ACUI Code of Conduct both on and off the range for the duration of the event. As a participant, you are representing our sport and organization. Providing an example of good conduct, appearance, and a sportsperson-like attitude is paramount. Failure to follow the code of conduct will result in being deemed not eligible to compete per event management. The code of conduct is available at www.acui.org/claytargets.

SHOOT-OFFS
Ties for individuals in first, second, and third place will be shot off according to the national governing body rules. If a tie cannot be broken due to unforeseen circumstances, the top three individuals will be awarded the top three highest scores (e.g., first and two second places, or two first places and a second place).

American Trap – Participants will first shoot off a full round of 25. If there are still ties after the full round, we will shoot two targets per station. If still tied after the two per station, we’ll go to two per station, miss-and-out.
American Skeet – Will be shot off as doubles 3-4-5, miss-and-out.

Sporting Clays – Shoot-offs will be three pairs from one station. If there is still a tie, two more pairs from the next station will be thrown. If a tie remains, we’ll move to miss-and-out to break the tie.

AMMUNITION/STORAGE/PRACTICE/CARTS
Questions about ammunition, storage for ammunition or firearms, practice rounds, or golf carts can be answered by the staff at the individual ranges. Cost for any ammunition, storage, practice, and golf carts are at the expense of the competitor.

AWARDS
Individual awards will be presented to the top three individual men and the top three individual women in each discipline.

Individual High Overall Awards will be presented to the top individual score for men and top individual score for women by taking the composite score of all three disciplines.

There is a 15-minute review period after the final results are posted and the awards ceremony starts. Any correction to the results for first through third place must be done during this review period. Once the award ceremony starts, the results are considered final.

ELIGIBILITY
The standard eligibility requirements for ACUI Student Programs do not apply to this event. The ACUI Code of Conduct and Safety Guidelines are applicable to all participants and should be reviewed and adhered to throughout the duration of the event. High school participation will be limited to athletes who will be entering their junior or senior years. Any participant under the age of 18 will be required to sign a waiver.

MEDIA
ACUI supports the filming of the event, and an athlete’s participation or a spectator’s attendance grants ACUI permission to use their image. That image can be used for reproduction in any media and for promotional purposes of the sport and the ACUI tournament.

SUBJECT TO CHANGE
Please keep in mind that the tournament schedule, squadding, and this program are subject to change. Although we make every attempt to maintain the published schedule, target malfunctions, weather, and other items are out of our control. It is the responsibility of the competitors to check the schedule and squadding daily and most importantly, in the evening. Updated information will be posted to the website and at the range. ACUI is not
responsible for missed flights, airline change fees, missed squads, etc. Please keep this in mind when making your travel arrangements and schedules.

Match program updates will be shared in two ways. Those not yet registered will see it in the opening screen of registration and in the confirmation. Those already registered will be notified via email. Those of extreme importance and affecting more than one event will be shared in the ACUI Clay Targets Newsletter and social media channels.

As COVID-19 continues to impact our lives, we’ll be monitoring the situation closely to ensure the safety of our participants. Should we feel that the event is unsafe or socially irresponsible to host, we will inform attendees of potential cancellation at least two weeks prior to the first day of the scheduled start date of each tournament.

EVENT MANAGEMENT

Event management reserves the right to change or alter this match program as necessary with or without notice. Competitors or teams agree to this policy by virtue of their participation.
